Port Hope Hospital Surplus First In Several Years

Port Hope "The past year was I have spent on the Board," Dr. H. Winfield, president of the Port Hope Hospital Board told members who attended the 41st Annual Meeting. The Board had just signed Mr. Winfield revealed that for the first time in many years the Board is able to show an operating surplus.

This surplus was obtained not by treasurer Harry van Everdingen in the amount of \$10,000. It was made possible even though payments at the Hospital increased in the past year.

It was only during the past year because of additional help first from the fact that salaries have been brought up to the standard, paid in other district hospitals. It is even more significant when it is recalled that a deficit of \$4,000, was an annual meeting with no feeling of uneasiness such as has been experienced in the past. It is also a credit to the grand work being carried out by hospital board members. Mr. Winfield said the auditor, T. A. Sharpe and Co. who helped in the audit.

The lack of finance, has been a major improvement. Mr. Winfield said, "but the Board feels that a lot has been accomplished in the past year."

Mr. Winfield noted, "It is difficult work, and much of it is beyond the call of duty."

After referring to the financial statement which showed a profit on the year's operations, Mr. Winfield said that help from govern-

ment grants and gifts from the people made the \$10,000. government grant which was announced in the press recently. He revealed that the Board has received no substantial contribution of this grant but felt certain that it will be received.

"No money has been made available for renovations work before," he said, "and when this business becomes a reality the Board will be able to do more of the more important work which must be carried out."

This work was pointed out by property committee chairman Ford Abrams, in his report in which he noted that, "There are two expenditure factors Board" which will come under the supervision of this committee. The first will be the bringing in of an extra, better electric power line to ensure a power supply even when the old station is not even when the cost is as much as \$50,000, but we believe it is one of the most important items which will have to be looked after."

"The other organization," Mr. Abrams noted, "will be a considerable amount of work in the heating plant, due to boiler replacements and other items becoming rather an urgent necessity."

Mr. Abrams also noted that the Nurses' Association, which had not received any attention for a great number of years, has been partly satisfied with the assistance of the Women's Auxiliary and the improvement in the general living quarters for the nurses has been well worth while.

"Much is to be done yet in the residence and we hope to be able to find work in the near future," he said.

Mrs. Ford Trebelco Opens Home For W.I. Meeting

The Glen W. I. was held at the home of Mrs. Ford Trebelco, 36 R. I. Woodville.

Mrs. Damm occupied the chair and dealt with the business in the following manner: Roll call was taken and the minutes of the previous meeting were read by the 14 members present. The treasury report was given, showing the sum of \$14.95 which represented the collection for the month of raising funds for the general fund.

Mrs. Dixon and Mrs. Glickshtat reported for the used clothing collection and the painting enterprise. These gifts have been forwarded to the South Middle in Toronto. It was decided to have two more quiltings in March. Mrs. Bates and Mrs. Weldon will be the hostesses. The quiltings will terminate with a picnic supper. Mrs. Weldon reported on plans for the Anniversary celebration in Lindsay in March at the Larch Hall.

It was decided to have a social in March at Grant's School where Mrs. Cross, Mrs. Mrs. Harg and Mrs. Harg will convene this meeting. The program will be the charge of Mrs. Oving and Mrs. Graham.

Mrs. Owens read S. Patrick's reading. Mrs. Austin read John Fisher's comment on the W. I. The program continued with the singing, "The Blessing of the Lord's Prayer and keep you," Mrs. Austin favored with an Irish reading. Mrs. Graham had a contrast which was won by Mrs. Glickshtat and Mrs. Bates.

The meeting closed with the singing of the National Anthem and the recitation of the Manly Benediction. A social hour was enjoyed by all. The hostess and co-hostesses served a delicious Dr. Patrick's lunch.

Barrie Hospital Deficit Causes Board To Threaten Resignation

Barrie, March 30 (Barrie's Daily Mirror) Hospital Board last night threatened to resign over its high deficit. Member George Fiddie told a meeting of the board and representatives of the six municipalities it serves that the board would resign at its next annual meeting April 14. Fiddie's efforts to have municipalities vote extra funds to cover the deficit have failed.

"I believe the feeling is that we should resign," said Mr. Fiddie, "as is the intention of the trustees to do so at the annual meeting and to leave the municipalities to handle the hospital."

Mr. Fiddie pointed out that the board had an overhead of \$10,000 on which it is paying nearly \$1,000 a year interest. "We just can't carry the responsibility of running a hospital under these conditions," he explained, adding that no compensation had been made for the

protection and many costly repairs were needed.

Another board director, Charley Robinson, asked why a levy could not be made to operate the hospital similar to that made for the district high schools. "Why should we, the directors, have to go home and see for funds to cover the operating costs of your hospital," he asked.

Board chairman, Rev. James Ferguson, in his summary of the hospital's operation reported said that the deficit "has been caused by insufficient payments by municipalities for indigent patients which have caused a loss of \$1,000 per patient day."

A motion was passed that a letter be sent to the municipalities expressing the accumulated deficit and the possibility of this withdrawal to such municipalities. The letter is to ask each municipality bear its own share, with a reply requested before the board's annual meeting.

Municipalities attending the meeting included Barrie and the townships of Innisfil, Verner, Glenora and Simcoe. The Township representative wasn't present.

Vases Dedicated In Memory Of Mrs. Mark

The late Mrs. Norman Mark was honored yesterday at the Wesleyan Presbyterian Church when a memorial to her memory was dedicated by the minister, Rev. Donald McQueen.

Mrs. Mark, who was affectionately known by most people as "Mam", was president of St. Andrew's Girls' Auxiliary for 20 years, after which time she gave up the presidency and became Wesleyan President until the time of her passing, last July.

Two beautiful vase were donated in her honour by the members of the auxiliary who attended in a body this service of respect to a woman who had worked long and faithfully in the behalf of her church.

In his dedication address Rev. McQueen stressed the fine qualities of Mrs. Mark's character, and of her untiring devotion to God, her church and its people.

Paper Given By Mrs. Harold Shier

Sunderland (P.N.S.) The recent meeting of the Sunderland W. I. was held in the Township Hall, Mrs. Hazel Ward, president, was in the chair. Mrs. Harold Shier gave a very interesting paper on "Citizenship and Education".

An invitation from Beverton W. I. to attend their May meeting was accepted. Mrs. George Johnson was in charge of the programme given on by Sunderland at that time. An invitation was extended by Mrs. Margaret Marquis to all members to attend the dramatic project of the club and was sponsored by the W. I.

Mrs. George Johnson in charge of the programme led to community singing of Irish songs. This was much enjoyed. An Irish reading was given by Mrs. Fred Snigrove, Mrs. Percy Adams favoured with an Irish reading, and so Irish songs, Mrs. Phyllis gave a reading and Mrs. Mary Lou Baker read several numbers on the harmonica. A further Irish song by Mrs. Fred and a musical solo conducted by Mrs. Johnson brought a very pleasant evening in a class.

Lunch was served and an enjoyable social hour spent.

Horse Back Riders Injuries

"THE LOVED KIDS"—that's the way Mrs. Lucille Wagner, above, described husband Charles "The Gun" Wagner, believed the victim of a poignant killing. His husband took a man's life, apparently took his life and whoever killed Charles will get the same one day," said the pregnant young wife before the trial, which took place at the Ontario Court House in Toronto.

Wagner was found in a shallow creek in St. Matthew's de Lacourville with a bullet hole in the back of his head and with a 200-pound body behind him under the water, the police believe that Wagner was a victim of a revenge killing.

Lindsay Guide Will Receive Certificate

Mrs. Louis Brethaupt, wife of the Lieutenant Governor of Ontario, has presented certificates to members of the Lindsay Guide Association for Friday night, 20th, which were earned Gold Cord during the past year. This standing is the highest a Guide can achieve, and must be earned by a Guide in his seventeenth birthday. The ceremony will be held in the Lieutenant Governor's suite in the Parliament Buildings, Queen's Park, Toronto. The Guide will come from every part of the province.

Mrs. Marie Wood, 2nd Lindsay Guide Co. is among those who will receive certificates.

Haliburton High School Girl Victim

A 15-year-old Haliburton High school girl has died as a result of injuries she mysteriously received while horseback riding. Nancy Miller, daughter of Mr. and Mrs. A. B. Bunnell, was found unconscious in the Woodstock road around 10 a.m. Friday, she died in Western Hospital, Toronto, Sunday afternoon. The dead girl is described as being a driver student and was the animal she was riding at the time of the accident was a six-year-old mare which had been seen several great deal.

Six Fire Calls Over Weekend, One Woman Is Slightly Burned

Fire Chief Alex Wyke reports that six fire calls were received by the Oakwood Fire Department over the weekend.

On Saturday at 11:44 a.m. a call came from Mr. Robert Cooper, 28, 1st Avenue. The fire was extinguished with a hand pump, says the Chief. A chimney fire at 28 St. Patrick Street, residence of Mrs. Hickey, and a gas fire at 144 Lindsay St. were also extinguished. No damage.

Sees Salaries Endangered If School Costs Increase

Toronto, April 6.—(UPI)—An Ontario education official says that unless the province cuts down on the number of teachers, the salaries for teachers will be "endangered."

Dr. J. G. Alton, Chief Director of Education for Ontario, gave the warning to the M.P.A. Provincial Education Association, which is meeting a four day conference in Toronto today.

Alton said that if local school boards continue to increase their costs, the province will be forced to raise salaries in 1953.

Claims Canada Leads World In Nuclear

Toronto, April 4.—(UPI)—Canada is producing the advanced radioactive materials in the world and her nuclear reactor is the most advanced in the world, according to a report by the Atomic Energy Commission.

"To certain nuclear fuels are being used in the U.S. because we have the technology," said the report. "In fact it was arranged to give a number of these materials to the University of Toronto beginning January 19, 1963, and 1964, under the auspices of the American Atomic Energy Commission."

Dr. Bruce Sturges, the new director of the Atomic Energy Commission, said that the first of the new materials was the first in the world to be produced by the new technology.

That Body of Yours

By James W. Barton M.D.

Of stomach disorders should be studied thoroughly, if possible in a laboratory setting is not out of the question. One of the great obstacles to early diagnosis of cancer of the stomach is the fact that the stomach is a hollow organ.

It may seem as a surprise then to learn that much of the research in the field of the stomach is unknown; in fact it was arranged to give a number of these materials to the University of Toronto beginning January 19, 1963, and 1964, under the auspices of the American Atomic Energy Commission.

Alert Constable

Alert Constable who captured John Reginald Chastain, hunted for questioning in the strangest of the ways. The wanted man, subject of British's greatest manhunt, was recognized by Lefter as he was striding near the Thames River, only five miles from the "murder flat" in London's Notting Hill Gate district.

An amazing glimpse into the way of THOMAS LEBRON, O.P., and British Constable who captured John Reginald Chastain, hunted for questioning in the strangest of the ways. The wanted man, subject of British's greatest manhunt, was recognized by Lefter as he was striding near the Thames River, only five miles from the "murder flat" in London's Notting Hill Gate district.

Apparently, despite our shape and size, we are not as different as we seem. Many people think that an individual is diagnosed in one category or another, but in fact the cause of cancer is unknown and many doctors do not know what to do.

SPRING

What is it that spring possesses? What is this magic that seizes upon the hearts of men to set them pulsing with a new joy in life; and upon the imaginations of men to make them see visions and feel ecstasies? It is a potent magic indeed, and it is all signs when a human being, young or old, is immune to it. No other provision seems well-behaved of spirit, the same consciousness of well-being.

Spring is an end and a beginning and a promise; an end to winter, a beginning of new life in nature; a promise of the future, a promise of the future. This year, in some parts of Ontario, there has been little real water at all; but there have been bare trees, and lawns from which the green looms everywhere, and few birds to sing. So spring is welcome to the spirit because it is a change from what has been. But it is welcome most of all because of its very softness, the awakening of new roots, everywhere, flowers in the field and birds on the wing. There is nothing else like it. It is a resurrection; a putting on of new garments of life and beauty. No wonder spring touches the hearts of all with its tender growth and its budding loveliness. It is at this season that nature begins over again. Suddenly the world is full of young creatures, little shoots of green, birds in their nests, the first flowers opening to the sun.

But it is not only by viewing these things that mankind is uplifted and delighted. For in some strange way there is within human beings a springtime, no less certain as the season of the forest and the field, and even more subtle. This is a thing of the spirit, and of all of the body. It is truly a magic, it is an inspiration. Perhaps so one can entirely explain it.

It is enough that this mysterious rejuvenation comes to mankind as well as to nature. Unfortunately, it is those who are too ill of body or mind or of soul to experience the season's joy. As Tennyson put it:

"Once more the Heavenly Power
 Makes all things new."

And comes the red-plow'd hills
 With loving blue;

The blackbirds have their whir,
 The thrushes too."

—The Star Weekly

Laugh It Off..

The tourist from the North wanted to be sure it was safe to go swimming in the Florida waters and inquired of a native Floridian if there was any danger from alligators.

"Oh, no," the native assured him. "After swimming out some distance the tourist called back: 'Are you sure aren't any alligators here?' "Of course," the Floridian shouted back. "They never come around here. They're afraid of the sharks."

Sizeable Grass, Brush Fire Burning In North Victoria

A grass and brush fire of some proportions is burning in the lower portion of Philip Township, north of Victoria, Ontario. The fire is in the Paving Lake area which is a farm in north of West Lake.

District Forester Wheatley, of Lindsay, says the fire is accessible by road but not good road. Its general location is west of north of West Lake.

The fire is reported to be a fast fire, but has been brought under control by Mr. Wheatley since that there is little trouble in the immediate vicinity.

Parents Of Youth In Trouble Sought By Court Officials

A 16-year-old boy was remanded one week in Police Court after the parents of the boy will be contacted, if possible. The youth had been charged with stealing a farm tractor, value \$100,000, one leather coat (valued) and cash in the amount of \$100 from his Dundas farm employer.

The youth pleaded guilty as charged and the thefts are alleged to have occurred on April 9.

Crown Attorney J. W. Jordan questioned the accused as to the whereabouts of his parents. He was told that the boy's parents resided in London and that he had no friends or relatives in this area.

The accused said he had "thundered down" from Newcastle, where he had worked for a short time in a factory. In this time he obtained work on the Dundas farm about three weeks ago.

Deputy George MacIntyre, of the OPP, in his evidence stated that from the employer he had found out that a collar in change was missing, and the hired hand, his clothes along with the tractor. The officer traced the tractor to Bechoyev, where he said, several attempts had been made to sell it. The tractor was an Alfa Romeo 1900.

About 12:30 a call was received from Philip's George stating that he had received a call to see a tractor that had broken down on Bechoyev. The officer had previously asked the garage owner to be on the lookout for a tractor, and three miles north of the village, between Bechoyev and Preston Park he found the tractor, and the accused who was wearing the leather jacket in question.

Deputy MacIntyre said that

Wilber Heslop Cut, Bruised In Accident

An accident on Saturday evening between the vehicles driven by Arthur Heslop of Lindsay and Ray Jordan, of Cambridge, caused an estimated \$1000 damage. One car was damaged and the other driver's leg was cut and bruised.

At 10:30 p.m. Saturday evening Jordan, driving a 1948 Chevrolet, was proceeding west on Kent street. Mr. Heslop was crossing Kent at about north of the Central School when the cars were in collision and the front end of the Jordan car was demolished and the late-model Plymouth of Mr. Heslop sustained extensive damage. The approximate damage in the collision is about \$900.00.

Mr. Heslop was treated for bruises and slight cuts about the face, by Dr. Arnold, and he was taken up to have been cut by the glass from the shattered windshield.

The accident was investigated by Constables Gordon Sher and William Heslop of the Lindsay Police Department.

Ghost Train?

Clean Up Village For Hobby Train, Doesn't Turn Up

Hamilton, April 13.—(UPI)—The people of this village are wondering where the "hobby train" which was scheduled to arrive Friday got sidetracked.

It was announced in the press earlier in the week that the "hobby train" was due to pull in sometime Friday and plans were implemented to give the village its best spring appearance for the occasion.

Main street was swept, road conditions and the station yard given a thorough cleaning up. Friday the sun rose and set for the "hobby train" and it was in an appearance.

The village are wondering now who started the project circulating in the first place because with the train's failure to put in an appearance no one takes credit for having planned the show.

Was it just a "ghost train"?

Magazine One continued the

story of his to the schooling and the church he belonged to. He was told that the youth had contacted George Dixon and was a member of the Methodist Church. The accused said he had not been to church much recently, though he enjoyed much religious music several times.

He was, however, dissatisfied with his work at "hobby" as he said he was only making \$6.00 per week, pay board and lodging. He alleged that he had quarrelled with his employer, who had struck him.

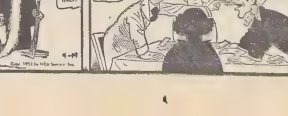

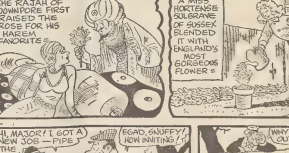

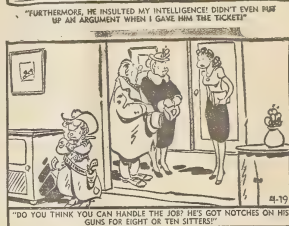

The Crown Attorney continued on the fact that the accused had an American "woman" in his room and the accused said he was not American.

Magazine One wanted to know if the accused had ever had physical treatment, and was told that he had not. "It might have been—like an owl—once," was the statement made on being asked what had frightened him from leaving in a hurry.

The accused didn't know his address in London. "I don't pay no attention to addresses," he said.

In answer to whether he had ever been in trouble before the youth stated that when he was 15 he had taken some "nuts and bolts" from a London store. He had received a stern reprimand from a police officer and was told that if this thing happened again he would "go to jail." His father's name came out in the testimony, and it appears that he works in a window shop owned by his brother.

Magistrate One reminded the youth one week, in which time his parents will be contacted, if possible.

Concerning Aid To Hospital Mayor Maintains Lindsay Pays As Much As County

The matter of the Town paying \$700 per day per indigent patient plus a grant to the County to pay, was discussed at the Board meeting at the Board Memorial Meeting.

Mr. Johnson stated that the Council had deferred action on the matter as yet, but definite action would be taken.

Mayor Charles Lindsay said that at the public meeting he had been told that he would be asked to pay for the hospital, but he had explained to those there that the finding that the Town Council of Lindsay does not pay their share of the cost. "We pay equally as much as the County Council does," he said.

Water Board Advised 1-Mill Issue Handed To Solicitor

Miss Thompson, secretary of the Water Board, at Tuesday's meeting read a letter from the Town Clerk, Bob Basse, stating that the matter of the one mill increase, \$80,000, that the Town had requested from the Board, had been turned over to the Town Clerk, Mr. Basse, for his information.

He said that the Water Board had been asked to consider the matter, but he said that the Town Clerk had said that the Town Clerk was to be aware of the matter.

Sort of Slavery, Says Canterbury

Birmingham, England April 21.—(AP)—The Archbishop of Canterbury said today the spiritual policy of South Africa President F. M. van der Westhuizen was "a sort of slavery." He said that the semi-annual meeting of the British Council of Churches in the city was "a sort of slavery."

To Consult Engineer Before Taking Action

Considerable discussion took place at Tuesday's meeting of the Lindsay Water Commission about the advisability of erecting a standpipe in the East Ward.

It appears that as it is a new project, standing by the Fair Grounds has to be drained and re-ground lands, and public works, that there would be little to be gained by erecting a standpipe in the East Ward.

For some time the Board has been looking for a way to ensure a water reserve, and keep the project in the area which is being occupied by new homes and industry. The Board has thought for some time that the property owned by the City of Lindsay, which is being occupied by the City of Lindsay, would be most suitable from the point of view of the project.

Blame Fire On Boys Playing With Matches

On Tuesday, April 23 (AP)—Boys playing with matches are blamed for starting a fire Sunday night in the house formerly occupied by Mr. J. J. Williams. The local newspaper, the *Star*, has published a story in the home of the Williams family, which was started by a boy named John Williams, who was playing with matches.

The fire was noticed by passing motorists who turned in the alarm.

Draft Plans Here For Celebration On Coronation Day

Jasper Forman Committee

A committee, under the chairmanship of Mr. Jasper Forman, was appointed Thursday evening to handle the Town's Recreation festivities, in co-operation with all the other organizations in Lindsay when the seven-man committee will contact. The members of the appointed group are Ald. Bruce Maidens, Mrs. C. Ledley, Mr. Cliff Coes, Mr. Charles Pilling, Rev. A. C. Coowell and Mrs. W. C. Fiddler. Mayor Charles Lamb graciously gave permission to use his office in the Town Hall for their headquarters.

The meeting was opened by the Mayor, who chaired it since it had been called at the invitation of Lindsay's council. To the representatives of many local organizations, both religious and secular, Mayor

him point out the fundamental reasons for the meeting and that he hoped they would pick a committee to handle the whole thing. He said that he was not making a commitment, but that although Dr. Harold B. Neal and Rev. A. E. Cresswell were unable to be present, they had minimal input into the meeting.

Mr. George Keith arose and said he thought the idea of a committee to work out details was excellent. He stated that there ought not to be any more meetings until the committee, since they "had cleared" ideas of what should be done" on such an occasion as this meeting. He stated that the committee of seven be appointed.

Ad. Bruce Melman, seconding the motion, said that it wasn't a matter of how much was spent, but that it was a matter of showing the allegiance to the Crown that mattered. He stated that many people will never have an opportunity to take part in another Curriculum Council meeting.

In putting the above motion to the gathering, it carried unanimously.

Mr. Cliff Cole, president of the St. Ann Hughes Branch, Canadian Legion, No. 122, said he had a "bad" day. He suggested that there be swimming races in the morning, a large parade in the afternoon, featuring early exhibit and in the evening at the Fair Grounds the "Crested Auk" Club might put on their fireworks display and the Boy Scouts have their huge bonfire. Another suggestion was that all local stores could suitably decorate for the occasion.

Mr. T. H. Eberle, Collegiate principal, thought the idea of the Legion president very reasonable, but that "the Coronation is primarily religious, and that we should not have a parade, but that we should propose a monster patriotic service in the afternoon, having parades of school children, patriotic speeches,

Mrs. J. Jasper Forman informed the gathering that day that Mrs. C. Laddley, wife of the late Mr. C. Laddley, representative of the High School Area Board and he concerned in the findings about the money, had been the subject of the money parade, ought to have Kawartha and the Exhibition Grounds. He stressed that all groups should have been invited to the parade. "We should play up the greatness of Canada. No nation has done more for the world than Canada. We should let the world—all this stemming from the British Isles." His suggestion was that the parade be held in the morning, and that the Government be taken a union Oath of Allegiance seemed to find favour with those present.

Mrs. C. Laddley briefly agreed with what had been said before her. She said that she had been invited for part of the day—the Corporation deserves that."

The meeting was adjourned to the Ballroom Army, representing the London Missionary Society, said that some part of the day should certainly be religious and that the parade should be held in the morning, long that time.

Mrs. Walter Peel, chairman of the Literary Society, said that she had been invited with some of the fine speakers proposed felt that most of the day should be devoted to the parade, leaving the rest of the day for

representatives of the Rebekah Lodge and the W. I. pledged their support for the proposed improvement in the Lady Hughes Chapter. The lodge felt a street-dance for the night of June 2nd, would be appropriate. Ray Scott, the Separate School Board member, said that the Corporation was not really religious and that the Town Council and the Board of Education would not support a street-dance for the largest church available for a service with the other churches in the afternoon and evening. Capt. G. F. Antell, of the Canadian Mounted Police, said that Mr. Keith, Mr. Bob Gregory and Mr. Keith, Mr. Bob Gregory agreed with Mr. Keith, but that too large a committee, if someone had suggested, would have been a Norma Sproule and the Legion Ladies' Auxiliary. Isaac Watts
Subject Of
WMS Topic

Penelon Falls (PNS) -The April meeting of the W.M.B. was held in the Sunday School room of the Regular Baptist Church. In the absence of the president, Mrs. Martin, Mrs. Harold Neate presided.

The topic for the meeting, "The Life of Isaac Watt", was capably dealt with by Mrs. Neate, and keeping with the theme all the hymns used were those written by that writer of guest hymns.

The minutes were read and short business period conducted followed by a time of prayer, by Mrs. Victor Stewart. Mrs. A. Harvey gave a very interesting paper on the wonderful work being done in Quebec and Miss M. Wagar read a letter dealing with Jewish missions.

Following the singing of another hymn by Isaac Watts. Mrs. N. closed the meeting with prayer.
